Your Home Anywhere

Welcome to Swift

UK's No.1 brand for leisure vehicles

We are the UK's largest manufacturer of touring caravans, motorhomes and holiday homes. We've grown from simple foundations back in 1964, when our founder Ken Smith built his first touring caravan, to become the UK's number one leisure vehicle brand.

Our philosophy is to build leisure vehicles that are at the heart of your holiday, whether that be nestled in the countryside or by the sea, searching out active pursuits or simply enjoying a quieter pace of life. With a lifetime of memories waiting to be made, it's time to find your ultimate holiday home.

Get away from it all

At Swift, we want your holiday home to become your sanctuary - a place where you can truly unwind, relax, and let the stresses of everyday life melt away. Our unwavering dedication to innovation ensures that we deliver products that are not only luxurious but also practical. With each stay at your holiday home, you're not just enjoying a holiday, but crafting cherished memories that will last a lifetime.

Five steps to holiday home ownership

Your very own holiday home opens up endless opportunities for breaks away and making memories for years to come. But knowing where to start can be overwhelming; what aspects do you need to consider? What holiday home is for you? How do you choose your favourite holiday park? We know the questions can feel exhausting, so we've put together a handy guide to get you started on your quest to find your dream holiday home or lodge at your perfect location.

Step One

Is holiday home ownership right for me?

If you're seeking regular breaks throughout the year along with the freedom to come and go as you please, then holiday home ownership could be right for you. Ownership gives you the opportunity to spend quality time with your friends and family, as well as the opportunity to pursue and enhance your favourite hobbies – whether that be walking or cycling, an interest in wildlife and nature or just simply to enjoy the peace that a regular escape can offer.

Step Two

Finding your dream park

This is perhaps the most important step, so we encourage you to really take your time and be very thorough with your research. Getting this step right will ensure you years of happiness.

We've created a destinations page showing highlights of top UK destinations:

swiftholidayhomes.co.uk/destinations/

Step Three

Visiting the parks

Once you've established everything you need from a holiday home, create a shortlist of your favourite parks, so you can visit each one to help you choose the one that's right for you.

Step Four

Choosing your holiday home

At Swift, we dedicate a lot of time to fully understand your holidays and what makes them special. Our holiday homes are made with the finest materials from leading suppliers, and with space at a premium, storage design is an important aspect. Both finish and practicality is of utmost importance, and this combination ensures Swift remains a popular choice.

You'll need to consider the level of specification you want – at the top end, features such as a dishwasher and a wine cooler can come as standard, while some of our holiday homes might offer these as an optional extra. So, take your time to figure out what additions you need to make your holidays special.

Step Five

What happens now?

Now you've chosen your holiday home, your hard work is done, and you just need to wait for the keys! Your park and dealer will work together to ensure a smooth handover, taking care of the transport, siting, connections and commissioning. When you pick up your keys, your park will typically provide a full handover, taking you through your new holiday home to ensure you are confident with how everything works and answer any questions you may have.

Finding your happy place

Choosing your perfect location is one of the most important decisions you'll make when purchasing your holiday home. But with so many beautiful locations across the UK and Ireland, it can be tricky to pin down your ultimate destination. From speaking to customers, we believe that choosing a holiday park within a 2-3 hour drive is optimum for ensuring you can make the most of your holiday home.

For holiday inspiration, we've put together a selection of videos on our website showcasing key highlights from different regions. We've also done the hard work, so you don't have to, and have collated a list of holiday parks across the UK and Ireland, with contact details and website information so you can book a visit. For more information visit: [swiftholidayhomes.co.uk/destinations/](https://www.swiftholidayhomes.co.uk/destinations/)

Expertly designed and crafted

Jessie Milburn
Design Lead

We follow research insights and trends to keep ahead of the designs that appeal to both today's and tomorrow's customers, while also taking the time to understand what design aspects are important to you and your holiday lifestyle.

Today's trends involve a higher degree of ecological and environmental considerations, and at Swift, we share these values in our design and manufacturing decisions. We aim to replicate the natural world in both colour and material choices across all of our products.

Keeping on top of the trends through observation and research, we have seen a change in how our holiday homes are now used. Today, leisure and work can comfortably mix, and our holiday homes become more than just a place to relax and unwind. They now present an opportunity for home working, which creates a new design vision and consideration for our holiday homes and lodges of the future.

Why Swift?

There's no better feeling than stepping into your holiday home for a relaxing getaway, so we do everything possible to make that feeling last for years to come.

We pride ourselves on applying superior manufacturing quality to everything we produce, giving you the confidence that your investment is protected and built to last.

With the comfort of total assurance in your purchase, you can get on with the important things in life - creating lasting memories. And prioritising your peace of mind, we offer outstanding warranties, including a 3-year Manufacturer Supersure Warranty, 5-year Structural Warranty and 10-year Chassis Warranty.

Exclusive Duvalay™ mattresses

All beds feature indulgent Duvalay™ mattresses for the best nights' sleep

Bonded exterior walls

'Sandwich' construction walls provide a more rigid exterior, bonded with insulation in the middle

Electrical and USB sockets

Stay connected with electrical and USB sockets in selected areas keeping everything charged

Stain resistant carpets

With stain resistant carpets, there's no need to waste your precious holiday time scrubbing

Fully galvanised chassis

Protecting your holiday home, Swift's robust, fully galvanised or I Beam chassis resist corrosion and is warrantied for 10 years

High thermal efficiency

Enjoy outstanding thermal efficiency, proven by environmental chamber testing and calculations

Integrated fridge freezers

Integrated fridge freezers are included across all ranges to maintain a sleek, uncluttered look (except Royan)

Externally vented extractors

Keep your holiday home fresh and dry with externally vented extractors, preventing damp and odours

LED ceiling lights

Benefitting the environment and your pocket, bright, low energy LED lighting is included throughout

Integrated microwaves

Optimising valuable work surface space, all Swift Holiday Homes feature integrated microwaves*

*Except Royan

The Swift Difference

Roof trusses

For accuracy, strength and reliability, all Swift Holiday Homes have prefabricated roof trusses. The resulting roof strength meets Grade B snow loading (capable of carrying half a metre of settled snow), while glass wool insulation provides excellent thermal efficiency.

Wall construction

Our bonded 'sandwich' exterior wall construction gives greater structural strength. The walls are made in modules and are clad with aluminium CanExel. Each module consists of a robust timber frame, battened out and filled with insulation and a plywood inner skin.

3-Year Supersure Warranty

Your holiday home has 3-year cover for all parts and fittings (other than the structural exterior).

This includes items like:

- Freestanding furniture
- Kitchens
- Showers
- Sanitaryware
- Sockets and switches
- Interior doors and integrated furniture
- Gutter and fall pipes

5-Year Structural Warranty

Your holiday home has a 5-year Structural Warranty and Swift will repair (or, at its option, replace) any defects with the structural integrity of the home that come to light and are notified to Swift during the warranty period.

The Structural Warranty covers any defect with the seams of the home, including water ingress through any permanently sealed seam joints and also items like:

- External doors
- uPVC windows
- Roof, walls and ceilings
- Carpets

10-Year Chassis Warranty

Your holiday home has a fully galvanised chassis with a 10-year Chassis Warranty, subject to maintenance. Swift will repair (or, at its option, replace) any defects with the chassis that come to light during this period, but only for as long as the home belongs to its first owner.

All warranties start from the date an approved Swift Group dealer or park operator transfers the unit to its first owner and are subject to conditions, terms and exclusions. For full details see www.swiftholiday-homes.co.uk/owners

Double Glazing

Heat-reflecting 'Thermaglas' double glazing, with a 16mm air space, is fitted as standard or as an option on our holiday home ranges.

Chassis

Swift only specify a fully galvanised chassis as standard. What's more, every Swift holiday home comes with a 10-year anti-corrosion warranty.

Floor construction

The flooring in Swift Holiday Homes is constructed from timber joists. Class-leading 80mm glass wool insulation is placed between the joists and the floor is covered with a breathable membrane and a waterproof finish for durability.

Construction and thermal efficiency

Swift's Holiday Home range is built to BS EN 1647, and meets the National Caravan Council (NCC) Structural Thermal Rating Scheme for Caravan Holiday Homes.

Safety comes first

All our holiday homes are built in accordance with British and European standards and are audited against these build standards by the National Caravan Council (NCC).

Montreal

Step inside the Montreal, our first twin unit Holiday Home, boasting a stunning farmhouse aesthetic. Designed for families in mind, the Montreal presents a spacious interior and features a practical hallway, ideal for managing muddy boots and pets. With its neutral, on trend design, the Montreal provides the perfect canvas for you to incorporate your own personal style.

Model size	Bedrooms	Main bed	Twin beds	Rear twin beds

Only Swift approved partners sell approved Swift holiday homes and lodges

Swift wants to make sure your buying experience is the best it can be. When you buy from a Swift Approved Partner, you can rest assured that your holiday home is fully supported by Swift Group and the supplying distributor.

The benefits of buying from a Swift Approved Partner include:

- Swift Group Approved Warranty
- Dealer access to Swift Connect aftersales support
- Approved spare parts
- Approved engineers
- Access to Swift Approved technical engineers
- Product on display at distributors
- Financial services to help with your purchase*

Find your nearest Swift Approved Partner from our list on the back of the brochure or the Swift Holiday Homes website, swiftholidayhomes.co.uk, and look out for the Swift Approved Partner signs in dealerships.

* Subject to status
